The grant from ***Northern Neighbors Foundation Inc.*** allocated towards the landscaping of the museum grounds inside the fence on the north east side and end of the museum has been completed and we will be reporting to them shortly. The grounds have been leveled off and fill added to make them much safer to walk around on and more wheelchair accessible. A bit more leveling needs to be done in the spring once everything settles. It will also make for a better base for the Artisan Market tents & vendor setups.

Without the assistance of grant monies we would not be in a position to undertake these projects and ***we would like to express our thanks to Northern Neighbors Foundation Inc. for believing in the museum and for their continuing support*** (we have had three grants from them)

Presently we are working on a grant application for several digitizing projects at the museum and we will be looking to employ several community residents/elders and students in relation to obtaining family histories. This is a very exciting project so if you are interested in the history of the community or the families who or have resided here, please contact Sandra @ 204 620 1710 or email cphmuseum@gmail.com and we will give you more information.

The museum will be setting up a booth at the Christmas Craft Sale on Nov. 26th @ the Elementary School gym. Drop in and see us, renew your membership, purchase 50/50 tickets & Tickets for the "Scratch n Win Tree". The museum will also be providing lunch – Homemade Soup, Bunwich & drink - \$15.00.
